The beautiful and renowned San Juan Archipelago

Still one of the most pristine areas to be found...the scenic coastlines and quiet coves of the San Juan Islands offer a once in a lifetime experience. We'll explore some of the 172 islands before docking in Victoria B.C.'s beautiful Inner Harbour. Throughout the cruise you should have ample opportunities to view the marine life that abounds in these islands, including: porpoise, seals, eagles, seabirds, and hopefully, the mighty Orca whale. Binoculars are available for those who wish to use them, with our compliments...and don't forget your camera!

Your cruise aboard the Victoria Star² begins in the historic "Fairhaven District" of Bellingham, Washington – just a short 1 1/2 hour drive north of Seattle. Throughout the cruise, your captain and crew will point out the local history and wildlife found along the way. While in Victoria, you'll have ample time for browsing local shops for woolens, plaids, chocolates and toffees. Enjoy lunch at a waterfront restaurant, take a "Double-Decker Bus Tour" or visit the world famous Butchart Gardens.
